OUR STORY

In 1950, at the age of 16, John Coruzzi, Pizza John's founder, immigrated to America from Abruzzo, Italy. After honing his skills as a baker and pizza maker, brothers Peter and Anthony soon followed. In 1977, after years of the trio's hard work, Pizza John's moved from the original 600 sq. ft. location carryout to the new 2,500 sq. ft. location. Many expansions and renovations later, the restaurant now seats 320 guests in five dining rooms and has 204 parking spaces. In 2001 John and Anthony retired with Peter continuing today, building the family tradition with son-in-law Brett Steall and wife Melissa, to assure the Recipe for Success remains the same: "Use only the freshest ingredients in preparing our homemade food – homemade dough, slow cooked sauces, freshly grated cheeses, fresh-cut toppings and butcher-cut meats – so the dining experience is one customers will remember and come back for more.
